Congratulations!

All the technical committees have been approved by the Board of Administration. You are now officially Technical Committee chairs (TCCs). As Christine says below, you will get an official letter (suitable for framing?) and documentation on the details.

Of course all of you have already made good progress in getting people involved and in getting your planning started. But now you can tell people it's official.

> Dear Todd,  
>  
> Yes, the new TCs have been approved (no negative votes have been  
> received). You  
> can inform TC Chairs. As usual, they will also get an official letter from  
> the  
> CB, and the "newcomers" in CIE will also get the CIE administrative  
> documents  
> (Codes, etc.).
